

# Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee, we are thrilled to extend a warm welcome to the **18th International Conference on Advanced Technologies & Treatments for Diabetes (ATTD 2025)**, scheduled to take place from 19-22 March, 2025, in Amsterdam, The Netherlands.

We invite you to join us at ATTD, the premier international platform, where clinicians, diabetes care providers, researchers, industries, startups, investors, reimbursement authorities, and regulators convene with the shared aim of enhancing diabetes care at an accelerated pace.

The conference will feature presentations and discussions led by esteemed professionals in the field, covering a diverse range of topics including artificial intelligence-driven decision support systems, glucose sensors, closed-loop systems, artificial pancreas technology, screening, intervention and prevention of type 1 diabetes, preventive devices for diabetes, new medications, innovative insulin delivery systems and many more.

ATTD 2025 promises to be an outstanding event and we will be happy to meet you in the magnificent city of Amsterdam.

Yours sincerely,

Professor Moshe Phillip | Professor Tadej Battelino  
Conference Chairpersons
